

All About Sweeping

Customer Education Flyers, *They're a MUST HAVE!*

In today's competitive environment, customers are constantly looking at their bottom line. Customer education is critical in **keeping** the business that you have as well as **adding** to your client base. NAPSA is pleased to offer our "All About Sweeping" brochure which explains to customers and clients the importance of this maintenance process.

This flyer addresses the following sweeping topics:

Asset Management
Environmental Factors
Risk Management
Aesthetics

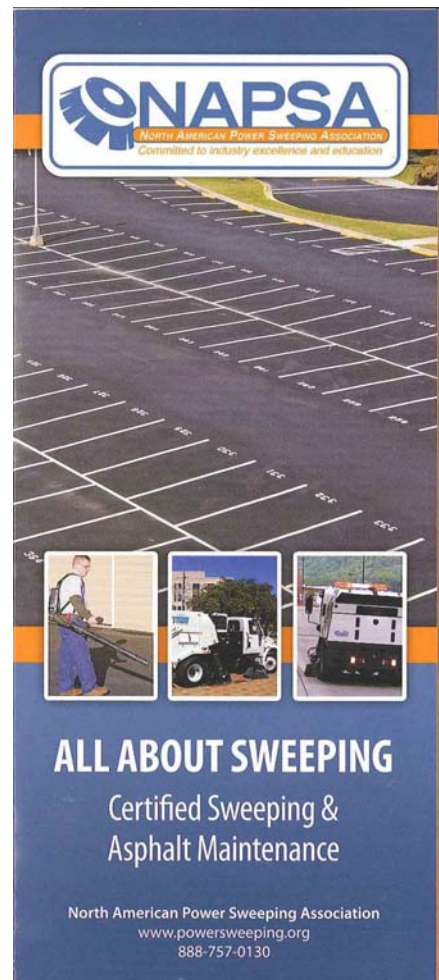

This flyer is a "must have" to include in your billing and quote packets.

NAPSA Members \$40 per 100

Non-Members \$50 per 100
